The legend tells of 13 ancient crystal human skulls that would be reunited to lay a new grid of consciousness for humanity. Many intuitives feel these objects are more than artifacts, they are Presences with the power to raise our collective vibration. The 13 are here at this critical time to bring us the wisdom of the past & the knowledge of the future.

Ceremonies with **Mayan Elders** on 2012, music by **Steven Halpern, Shelley Yates** of **FIRE THE GRID, FLORDEMAYO** of the 13 Grandmothers, **Jodi Serota** sound activation, special **Bashar video for this event**, 1st public appearance of the **33 lb. ancient Mystery Skull**, lectures, exhibitors, group initiations. It is time for planetary ascension.
